WORK EXPERIENCE

Associate Pastor of Worship & Media

Jul 2023 – Aug 2026

The Brook | Madison, AL

- Led weekly worship services for approximately 300–450 attendees, playing guitar across services while developing setlists and managing service flow.
- Led a ~30-person volunteer ministry through volunteer leaders — 8 in music, 2 in design/video — who led teams of their own.
- Conducted weekly rehearsals.
- Sought to motivate the team regularly in rehearsals, and facilitated an annual team gathering, both focused on how the Gospel shapes life and ministry.
- Recruited and onboarded 5 new team members while training musicians and volunteers to use Ableton for click tracks, guide tracks, and loops.
- Rebuilt the livestream audio mix, upgraded audio equipment, and trained a volunteer audio team in production operations.
- Produced approximately 40 baptism videos from initial scheduling and filming through editing and completion.
- Served as production lead for Beach Camp and Christmas Eve, two of the church's flagship events.
- Managed audio, lighting, and ProPresenter for Advent services, funerals, and men's and women's events.
- Managed ministry budgeting, equipment purchases, and volunteer scheduling while navigating multiple years of budget constraints.
- Taught between songs during Sunday services and led a Sunday evening group for two years.

Minister of Music

Jan 2022 – Jun 2023

Southside Baptist Church | Florence, SC

- Planned and led weekly worship for approximately 300 attendees as well as the student ministry, playing guitar and piano across two worship styles.
- Mentored students involved in youth worship and provided ongoing discipleship for worship and student teams.
